DENTAL HYGIENE students celebrated their graduation on May 22, 2015. When the program faced budget cuts, long time Cabrillo supporters and alumni, Richard and Theresa Crocker (pictured center) helped the program with a \$100,000 gift. This gift allowed the program time to find new revenue streams in the face of budget cuts, which kept the valuable career program on track to admit a new cohort.

"As an alumna of the Dental Hygiene program at Cabrillo, I understand the benefits of having a new class enter each year. The mentoring aspect had a huge impact on my learning, both in my first year when I was mentored and when I was able to help my classmates in my second year."

Scholarships

Breaking down financial barriers
to help students afford college

Courtney Ow Turner awarding a Cabrillo student the American Dream Scholarship. The Ow Family has been providing these scholarships to incoming Cabrillo students for over 25 years. Last year the Ow family generously awarded 92 local ethnic minority high school seniors a \$500 scholarship to Cabrillo.

Cabrillo Advancement Program (CAP)

"It was through CAP that I started to learn about college and planning the future that I wanted for myself. I am so thankful to the CAP staff and to the donors, because without their support, I know this experience would not be possible."

— Maria Rosas, CAP Graduate/Teacher at Alianza Charter School

I'M CHOOSING MY FUTURE, ARE YOU?

This question is emblazoned on the back of the T-shirts worn by the 100 students attending the Cabrillo Advancement Program (CAP) summer institute.

CAP guides hundreds of middle and high school students toward college. Annually, since 1991, 60 at-risk sixth graders in Santa Cruz County are selected to receive counseling, after-school tutoring, family outreach and support for academic development throughout their 6th through 12th grades. Once they graduate from high school, all CAP students receive \$2,000 for their first and second years at Cabrillo. Last year, CAP students exceeded the college-going rate by 28% compared to their peers.

Each summer, students come and sample some of the classes available to them in college, from Culinary Arts to Sports Medicine; passions are ignited that lead to a better future.

Rebele Journalism Fund

“There is no better way to improve in this field than with hands-on experience. The combination of Brad Kava’s classes and internships provided by the Rebele Fund is something I wish everyone interested in the world of journalism could enjoy. Rowland and Pat are amazing people and I know they’ll continue to impact students for a long time.”

— Tony Nuñez, Sports Editor, Register Pajaronian

Pat Rebele, Tony Nuñez, Rowland Rebele

PAT AND ROWLAND REBELE have been supporting Cabrillo students since 1986, providing nearly \$500,000 in gifts to date. Pat and Rowland are particularly passionate about the Journalism program, awarding stipends to students to intern with local businesses from the Santa Cruz Sentinel to KUSP radio station. Students receive hands-on learning to propel them in their future careers.

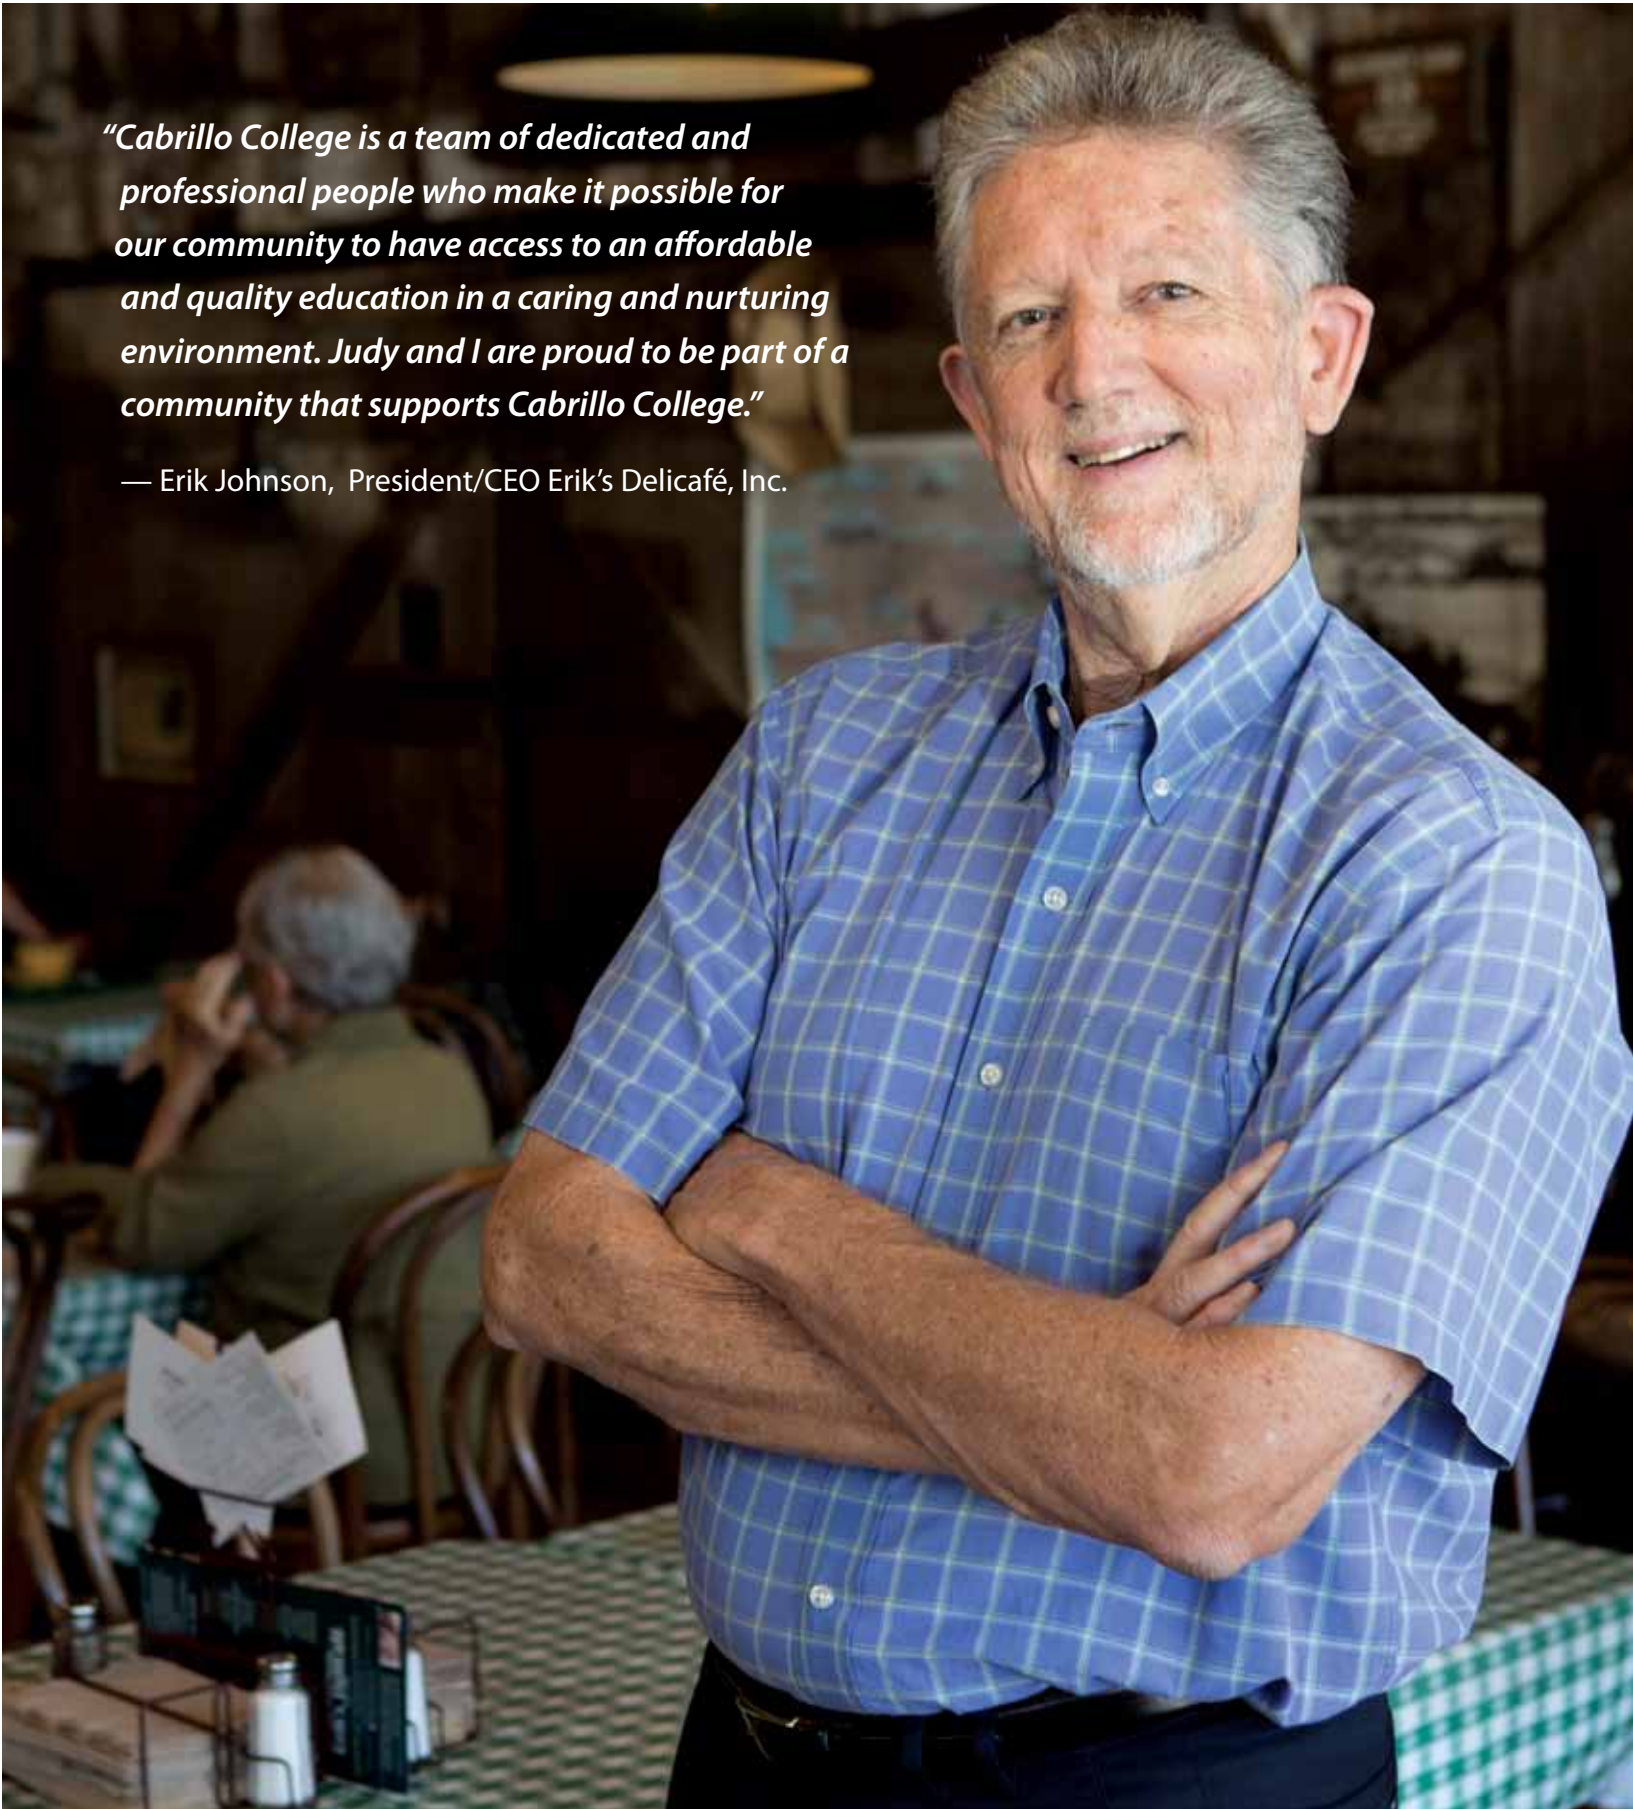

One such recipient is Tony Nuñez, who has been working the last three years as the sports editor for the Register Pajaronian after learning the ropes during his Rebele sponsored internship. Tony credits his time at Cabrillo for helping him land his dream job.

Planned Giving

Founder of Erik’s Delicafé, Erik Johnson explains why he and his wife Judy have included Cabrillo College in their estate plans:

“Cabrillo College is a team of dedicated and professional people who make it possible for our community to have access to an affordable and quality education in a caring and nurturing environment. Judy and I are proud to be part of a community that supports Cabrillo College.”

— Erik Johnson, President/CEO Erik’s Delicafé, Inc.

“Women’s Educational Success changed my life. This grant was essential to me to stay in the program.”

— Thais Sousa, Culinary Student

Women’s Educational Success (WES)

“I support WES because of its straightforward, uncomplicated commitment to, and support of, our local students at Cabrillo College. Awarding students in sudden financial need, quickly and with little bureaucracy, can be a difference maker in helping them complete their education.”

— Leola Lapidès, WES Committee co-chair

HOW MUCH DOES IT COST TO FOLLOW YOUR PASSION? Just ask Thais Sousa, a culinary student at Cabrillo who dreams of starting a catering company. When she needed money to help buy knives and her uniform, her instructor and WES Advisor, Sue Slater, requested funds from the WES program, which issues small grants to help students through financial emergencies. Within two weeks, Thais had the money she needed to stay in school. “I thought my savings would be enough, but everything cost so much more than I thought.”

The WES Committee, known as Best Friends, raise money annually to help support this endowment program. Donations of \$250 or more were matched by gifts from the Sharanam Foundation, Rachel Wedeen, and Tiffany Hammer. This year a record breaking \$57,000 will be awarded to students with an emergency need.

Placida Alvarez de Carrillo Scholarship

“I hope this scholarship can serve as a lifeline for students to help them achieve their educational goals.”

— Margarita Carrillo, Cabrillo College Trustee and Foundation Board Member

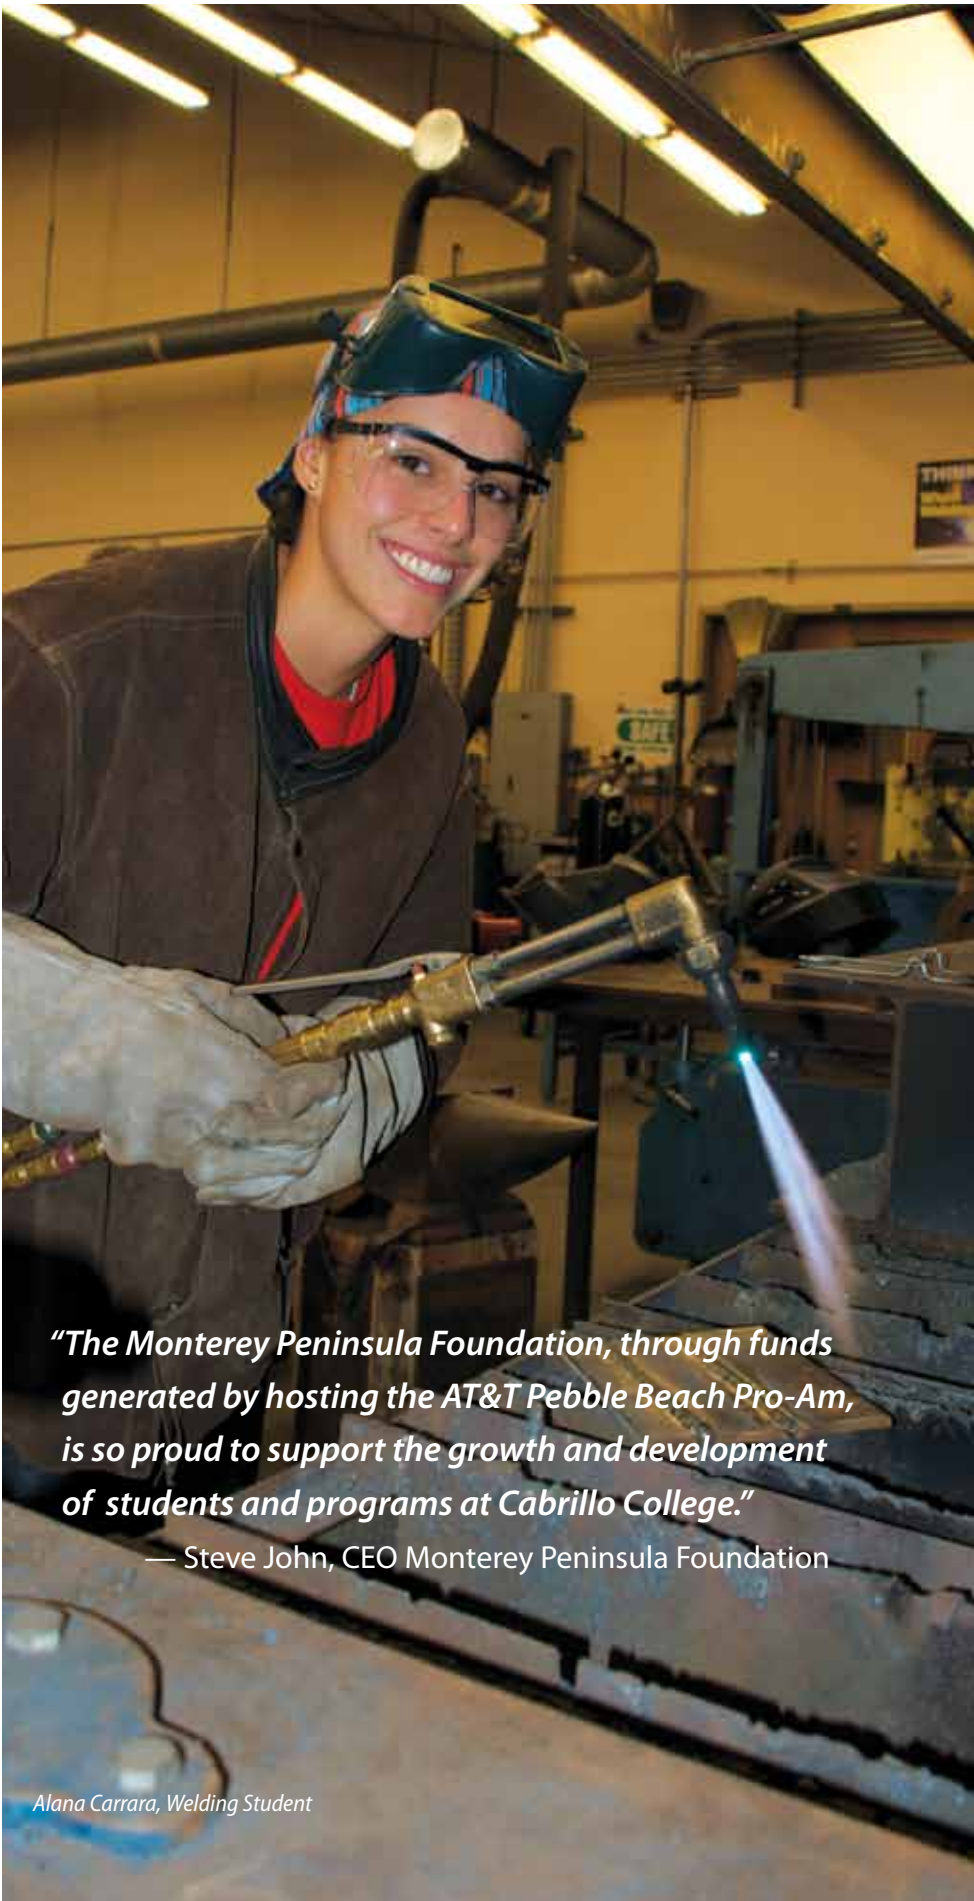

BOTH ANGEL MARTINEZ AND CABRILLO COLLEGE TRUSTEE, MARGARITA CARRILLO credit their mothers for emphasizing the value of education. Wanting to pursue his passion for robotics, Angel has struggled to pay his own way. Luckily, Margarita established the Placida Alvarez de Carrillo Scholarship in honor of her mother who never had the opportunity to go to school, but valued education above all. Angel is the first recipient of this new scholarship and is on course to surpass his own expectations.

Monterey Peninsula Foundation

THE MONTEREY PENINSULA FOUNDATION continues to support a host of areas on campus, including a gift of \$100,000 to expand the welding laboratory. Funds to expand this facility will allow more students to acquire industry certification and move on to higher wage careers and help fill the national shortage of skilled welders.

The Monterey Peninsula Foundation generously supported the following areas last year:

- **Welding Lab Expansion**
\$100,000
- **Cabrillo Advancement Program (CAP) Tutoring Support**
\$10,000
- **Cabrillo Youth Chorus**
\$10,000
- **Athletic Training Room Expansion**
\$10,000
- **STEM Tutoring Support**
\$10,000
- **Cabrillo Women's Volleyball Program**
\$10,000

“The Monterey Peninsula Foundation, through funds generated by hosting the AT&T Pebble Beach Pro-Am, is so proud to support the growth and development of students and programs at Cabrillo College.”

— Steve John, CEO Monterey Peninsula Foundation

President's Circle

"I'm hard pressed to think of any goal more important than widespread availability of high quality education. The scholarships that the Cabrillo College Foundation provides to deserving students really help with that goal. I support the President's Circle since every dollar it raises to fund the Foundation has resulted in nearly \$3 million for Cabrillo and its students - a great investment!" — Owen Brown, President's Circle Committee Co-Chair

Claire Biancalana (co-chair), Owen Brown (co-chair), Laurel Jones

THE PRESIDENT'S CIRCLE COMMITTEE works closely with President Laurel Jones to raise unrestricted funds to support the Cabrillo College Foundation. These gifts enable the Foundation to raise money for scholarships, program, faculty and campus support. Last year, the President's Circle raised a record-breaking \$311,000!

The Peggy and Jack Baskin Foundation

Laurel Jones, Cammy Torgenrud, Jack and Peggy Baskin, Nicole Baran, and Melinda Silverstein at the Baskin Center Dedication

"Promoting women's educational equality requires not only an effort to increase women's representation in male-dominated academic fields, with programs such as Girls in Engineering, but also the promotion of feminist analytical thought and gender as a legitimate category of academics and theory. We're excited to support Cabrillo in both areas."

— Nicole Baran,
Executive Director,
